6.3.2 POLICY FOR FINANCIAL ASSISTANCE TO TEACHERS TO ATTEND SEMINAR/CONFERENCE/WORKSHOP AND OTHER SCIENTIFIC EVENTS

The institute encourages the faculty members to attend the /conference/workshop and other training programs. And to share their knowledge, which will help in the academic growth. The teaching staff are also encouraged to take up research grant projects of various universities which will help the institution in collaborations with various universities and bodies to increase the horizon of the college in the field of research. One of the objective of the institution is to provide financial support to teachers for participating in seminar/conference/workshop and training programmes. Providing support for attending faculty development programme. The institution will reimburse the registration fee of the conference if a staff member is presenting a research paper in any of the national/ international conference.

The staff has to provide the institution with a request letter for the reimbursement of the registration fee to the Head of the institution. The Head of the Institution will then forward the same to the Management Head for approval.
