### 6.3.2 POLICY FOR FINANCIAL ASSISTANCE TO TEACHERS TO ATTEND SEMINAR/CONFERENCE/WORKSHOP AND OTHER SCIENTIFIC EVENTS

The institute encourages the faculty members to attend the /conference/workshop and other training programs. And to share their knowledge, which will help in the academic growth. The teaching staff are also encouraged to take up research grant projects of various universities which will help the institution in collaborations with various universities and bodies to increase the horizon of the college in the field of research. One of the objective of the institution is to provide financial support to teachers for participating in seminar/conference/workshop and training programmes. Providing support for attending faculty development programme. The institution will reimburse the registration fee of the conference if a staff member is presenting a research paper in any of the national/ international conference.

The staff has to provide the institution with a request letter for the reimbursement of the registration fee to the Head of the institution. The Head of the Institution will then forward the same to the Management Head for approval.

Sub: Participation as a key note speaker at Chicago, USA during Sept 2018.

Respected Madam,

Greetings!!!!

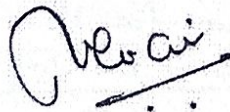

Hope you have received my communication with respect to the conference Drug Delivery 2018, Chicago, USA dated on 24-26 September 2018 in which I am invited, as an Organizing committee member and key note speaker by the organizer. The organizers have waived off my registration fee Rs. 83,747.00 and will arrange my stay for two nights.

I would like to utilize this opportunity and use approved US Visa to visit USA and discuss one to one with "Seeding Lab" for the possibilities of getting more sophisticated equipments and consumables which will be sufficient for us to run the CRL for at least 5-6 years without burdening the management. The small equipments are not available for shopping. My visit will allow us to choose the small equipments and consumables as per our requirement. I can also meet the scientists and Professors at the various Universities and look for collaborative research. However, I am not requesting for the complete expenditure but in the interest of Institute, I would like to part 30% of the expenses for my international travel and local expenses. (Details enclosed).

In the interest of CRL, I am requesting you to sanction and approve the proposal for the benefit of Institution. The organizers would like to have my agreement for speaking engagement of attending the conference by 18<sup>th</sup> June 2018. Please inform your decision on my proposal. Eagerly waiting for a favorable reply at an early date.

With regards

Prakash V. Diwan

### RECENT ACHIEVEMENTS

Dr. Prakash V Diwan, Research Director, Central Research Laboratory (CRL), MM group of Institutions was nominated as organizing committee member for "12<sup>th</sup> World Drug Delivery Summit" in Sept 2018, Chicago, USA. He was also a key note speaker on the topic "The Pursuit of oral insulin is a reality: Is it simply a matter of when". In the same conference he delivered a guest lecture on "Wonders and worries of Nanotechnology in healthcare" and chaired a session of the summit.

The Central Research Laboratory was awarded by Seeding Lab, USA who donates the equipment collected from donors for the talented scientist from developing countries. Dr. Prakash V Diwan represented CRL on the invitation of the seeding lab as instrumental access awardee for "Fireside Chat" with various donors of the equipment. He also took the opportunity to visit the Harvard Medical School, Boston, Northeastern University, Wisconsin University, and University of Chicago for possible collaborative research. The visit was sponsored by the President, MM group of Institutions, RGUHS, Bangalore, India and organizers of 12<sup>th</sup> World Drug delivery Summit, USA.
