COLLEGE ANNUAL REPORT 2017-2018

Memorandum of Understanding for Scientific Collaboration was signed between Rajiv Gandhi University of Health Sciences, Bengaluru and Central Research Laboratory of Maratha Mandal's Nathajirao G Halgekar Institute of dental Sciences & Research Centre, Belagavi on 15.05.2017 to foster Collaborative research between teachers of the affiliated colleges of Rajiv Gandhi University of Health Sciences and scientist at Maratha Mandal's Central Research Laboratory based on the matching of research questions and interest between the two groups. This MoU also enables researchers of affiliated colleges of RGUHS to have access to facilities at MMCRL including Molecular biology anaerobic & aerobic bacteriology, immunological techniques. The MoU was signed by Registrar Dr. Noor Mansoor on behalf of RGUHS and by Mrs. Rajshree Nagaraju, President Maratha Mandal on behalf of CRL. Dr. Soumya Swaminathan, Director General ICMR New Delhi visited our institution and the newly constructed Central Research Lab on 19th June 2017 in the evening. In this regard, a function was organized in the Auditorium on 19th June 2017 at 07.00PM.

**REPORT OF CDE PROGRAM CONDUCTED ON WORLD NO TOBACCO DAY ON
31ST MAY 2017.**

In order to mark Anti-Tobacco Day the Tobacco Cessation Cell along with CDE cell and department of Oral Medicine and Radiology of Maratha Mandal's N.G. Halgekar Institute of Dental Sciences and Research Centre, Belagavi, Karnataka, India conducted one day orientation and sensitization program for Interns of our institution on 31st May 2017- '**WORLD NO TOBACCO DAY**'. This Program was also conducted as a part of Institutions silver Jubilee celebration which focused on training Interns on Tobacco De-addiction Protocols. The Program registration was free and Karnataka state dental council accorded 4 CDE points for the same.

The formal inaugural function was conducted in the auditorium. Dr Sandeep Patil, MBBS, MD, Assistant Professor, Department of Psychiatry, JNMC Belagavi was the chief guest of the program. Dr. Aanchal Bisht Intern conducted the entire program. Dr. Sujata Byahatti, Reader,

& Research Centre, Belagavi-590010.

Incharge, Tobacco cessation cell welcomed the gathering. Dr. Ramakant Nayak, Principal delivered presidential remarks. Dr. Renuka Ammanagi, Head of the department of Oral Medicine and Radiology, spoke on future perspective of Tobacco cessation cell.

The 'Tobacco Cessation Cell' was inaugurated at department of Oral Medicine and Radiology by Dr Sandeep Patil, MBBS, MD, Assistant professor, Department of Psychiatry, JNMC Belagavi. He appreciated the records maintained by the Tobacco cessation cell and the Department of Oral Medicine and Radiology for actively promoting tobacco cessation programs. Behavioural counseling and NRT are two methods which are followed to make the patients quit the habit of tobacco consumption. The regular follow up of these patients is done to provide better results.

The scientific session included following lectures

1. Dr Sandeep Patil- **"Quit Tobacco"**
2. Dr Sujata Byahatti- **"Introduction to Tobacco Cessation Cell"**
3. Dr Ravi Shirahatti- **" Tobacco Control Programme – A Global Perspective"**.

A poster presentation was organized in the afternoon, wherein a total of 9 posters were presented by Interns. The posters were judged by Dr Ravi Shirahatti and Dr Praveena T. The judgment was done based on the presentation skills and content of the poster. Three best posters were awarded and the participation certificates were distributed to all the participants.

The program was concluded by 'vote of thanks' by Dr Sujata Byahatti

Dr. Soumya Swaminathan was the chief guest for the function and Dr. Debprasad Chattopadhyay, Scientist G & Director RMRC Belagavi was guest of honor for the event. Smt. Rajshree Nagaraju, President Maratha Mandal, presided over the function.

Dr. Kishore Bhat, Director, Maratha Mandal Central Research Laboratory welcomed the guests and dignitaries for the function and recounted all the hardships which they have to undergo over the past decade in setting up the Research Lab in Maratha Mandal Dental College. He also acknowledged the unconditional support received from Smt. Rajshree Nagaraju President, Maratha Mandal and Dr. Ramakant Nayak Principal Maratha Mandal Dental College for the constitution of Central Research Lab.

Dr. Soumya Swaminathan spoke on the occasion and praised the Management and institute for envisioning the importance of research and setting up a State of Art Research Laboratory. She urged all the under graduate students to have research bent of mind and constantly have research questions in mind. She also stressed on the wide scope for research in the field of dentistry, especially in oral cancer and oral microbes. However, she also stated the importance of maintaining the research integrity and to practice high ethical standards while carrying out research.

Smt. Rajshree Nagaraju President, Maratha Mandal in her presidential remarks said that the direct beneficiaries of research should be the common people and we all should constantly work for the education of downtrodden and tribal people. She recounted the initiatives like "Teach & Learn", "Save Water", "Save Girl Child" and various important social issues taken by Maratha Mandal over the past nine years. All the Faculty Members & Students of Maratha Mandal Dental College, Principal's & Staff of Maratha Mandal's Engineering College, Pharmacy College & Polytechnic College & Luminaries from RMRC, Belgaum graced the occasion.

VANMOHOSTHAV PROGRAM REPORT

The NSS unit of Maratha Mandal's Nathajirao G.Halgekar Institute of Dental Sciences and Research Centre, Belgavi along with Youth Red Cross wing organized the "VANAMAHOTHSAV PROGRAM "on 10th August 2017 in the Village of Kakti. The program was organized at Maratha Mandal High school. The team of doctors was lead by NSS incharge Dr.Sheetal Kubasad and Youth red cross incharge Dr. Preethi Kusgal and NSS team members consisting of Dr. Zarir, Dr. Pooja Desai, Dr. Pallavi . Youth Red Cross Wing students also participated in the programme.

The Principal followed by all the teachers of the School gave a floral welcome to all the doctors. Dr.Sheetal Kubasad explained about the importance planting trees around us and she also stressed that the child who will maintain the trees properly will be given prize. Our team of non teaching staff helped us to plant trees ,around 30 trees were planted at Maratha Mandal's High school.

VAN-MAHOSTHAV PROGRAM

On July 30th 2019 NSS team of our institute headed by Dr. Sheetal Kubasad along with our team members Dr. Pallavi, Dr. Rohini, Dr. Pooja visited Belgaum public school situated near Sindoli Village. Principal and teachers of the school welcomed us with floral welcome. We planted 25 fruit saplings in the school, students were allotted one plant each to take proper care and water them. The plants allotted to students the previous year who have maintained their plants properly were awarded and encouraged.

FLOOD RELIEF CAMP 2019

NSS team of Maratha Mandal Dental College organised a flood relief camp for people who lost their homes due to heavy rains. The flood relief camp was organised in Paliwada village near Khanapur.

Dr. Sheetal Kubasad, Dr. Pallavi, Dr. Sandeep, Dr. Rohini, Dr. Tushar, Dr. Shruthi visited the village. Faculty both teaching and non-teaching contributed towards the noble cause. Flood relief donations were in the form of food grains, groceries, house hold utilities, cloths and blankets. We donated nearly 150 families affected by floods.

ORAL HYGIENE DAY CELEBRATION

Department of Periodontology, MM's NGH Institute of Dental Sciences and Research Centre celebrated Oral hygiene day on 1st August 2019, to spread the awareness and importance of oral health in the community. This day is celebrated all over India in the loving memory of Dr. G.B. Shanwalkar who was a renowned Periodontist and also the founder of Indian society of Periodontology. The non teaching staff of our institute who have been working tirelessly and deserve the recognition and appreciation for what they have been contributing to the Institute, we took this opportunity to educate them about their oral health awareness. This year oral hygiene day was dedicated to all the non teaching staff of the institute. The function was inaugurated by lighting the lamp by the non teaching staff of the Department. Various Oral Hygiene techniques were demonstrated by the post graduate students by showing them videos and demonstrating the brushing techniques on the models followed by an interactive session. All the non teaching staff and the patients were given free samples of tooth pastes sponsored by Sensodyne company. As a part of the program free scaling camp was also conducted from 1st August to 7th of August 2019.

SILVER JUBILEE CELEBRATIONS

Department of Pediatric and Preventive Dentistry and Department of Public Health Dentistry of our institute organized drawing and craft competition for the children of various schools of Belagavi city on 4th September 2019, as a part of Silver jubilee celebrations. The purpose of this competition was to promote oral hygiene awareness among school children. The theme of the competition was 'Healthy Teeth & Happy Smiles'. Around 45 school children, enthusiastically participated in the competition. The drawing and crafts created by the school children were appreciated by all the faculty members and visitors.

INAUGURATION OF SATELLITE CENTER AT KADOLI- 6-09-2019
