2.1.2 Relevant details certified by the Head of the Institution clearly mentioning the programs that are not covered under CET and the number of applications received for the same

Our Institution has three programs under which admissions are sought. viz: UG, PG and Ph.D.

The admissions for UG and PG programs (BDS and MDS) are conducted by the Karnataka Education Authority (KEA). Our institution has no role to play in the admission process except admitting the students as per the final list sent by the KEA.

For Ph.D. program Rajiv Gandhi University of Health Sciences, Bengaluru (RGUHS) conducts pre- Ph.D. entrance exam, following which candidates who secure 50 percent or above are considered eligible for Ph.D. program. Our institution only recommends candidates for admission to the PhD program based on the guidelines laid by RGHUS. These candidates have to present the synopsis and get the approval by the Advanced Research Cell of RGUHS. Upon approval of synopsis, RGUHS registers the candidate for Ph. D. program. The role of our institution in the admission process for the above program is limited to recommending suitable eligible candidates to RGHUS. Our institution has no other role to play in the admission process.
