### **Report of the Program conducted**

Department of Oral Pathology conducted two day CDE program on “Hands on e-training program on modern ICT tools for teaching learning process”. With development in ICT, it is necessary that all teaching faculty of our institute needs to upgrade and adapt to emerging technology in teaching-learning process. We at our Institute always keep ourselves updated regularly with newer methods of teaching and learning. Amid pandemic a two a workshop organized on e-training program for all the faculty of the institute was well received. A total of 62 participants participated in the event. The program was held on online mode, both lectures and hands on training was conducted through online mode. The Guest speaker for the event was Dr. Anwar R. Shaikh, Professor and Head, Pharmaceutical Chemistry, Allana of Pharmacy, Pune. He delivered lectures on how to create our own youtube videos and also lectures required for teaching (covered both basic and advanced used of ICT in teaching) for two days from 26th Nov 2021 to 27th November 2021.
