## COUNSELLING SESSION FOR STRESS MANAGEMENT

Today, students from all spheres are undergoing lots of emotional stress as a result of the ongoing COVID -19 pandemic. To help students deal with the stress, Maratha Mandal's Nathajirao G. Halgekar Institute of Dental Science, Belagavi, appointed "Ms. Apurva Gudi" as a Clinical Psychologist at the Institution. The first contact session with BDS students was held at our institute on February 1, 2022, with Ms. Apurva Gudi at 10:00 a.m. The session lasted for one and a half hours, during which Ms. Apurva Gudi interacted with the students. She discussed various coping mechanisms that can help students deal with the current situation. She stressed the value of having communication with parents, teachers, and friends on a regular basis. She also urged the students not to neglect minor symptoms of anxiety and depression. The importance of counselling sessions by a professional counsellor was also conveyed to the students. Students were encouraged to take these sessions if they felt stressed or felt that the situation was out of their control. Strict COVID protocols like social distancing and the compulsory wearing of masks were followed at the session. The introduction of the speaker was done by Dr. Renuka Ammanagi, HOD, Department of Oral Medicine & Radiology. A total of 91 students attended the program. Principal, Dr. Ramakant Nayak, and HOD, Department of Oral and Maxillofacial Surgery, Dr. Ranganath Nayak, graced the occasion with their presence. The program was concluded by a "Vote of Thanks" delivered by the program coordinator, Dr. Renuka Ammanagi. Overall, the session was well appreciated by the students.

## NATIONAL ORAL PATHOLOGIST DAY

The Department of Oral Pathology and Microbiology celebrated National Oral Pathologist Day to mark the birth anniversary of Dr. H.M. Dholakia on February 25<sup>th</sup>, 2022. He is considered the Teacher of Teachers or “Bishmapitamah” of oral pathology. On this occasion, the department organized an e-Poster and a Quiz Competition for the undergraduate students. The topics for the e-Poster were “Importance of Oral Health,” “Team 32 in Oral Health,” “Recent Advances in Oral Cancer,” and “Oral manifestations of COVID-19”. A total of 11 e-Posters were presented. The quiz competition consisted of four teams and was led by quiz master Dr. Deepa Katgalkar, Reader, Department of Oral Pathology and Microbiology. A total of 16 students participated. As an initiative, the Department of Oral Pathology and Microbiology felicitated subject toppers in Dental Anatomy and Oral Histology, as well as Oral Pathology and Microbiology. Additionally, for the entire month of February, the department offered a 50% discount on laboratory charges for blood investigations for the benefit of patients visiting the Institute. The programme commenced with the inauguration ceremony. Dr. Vijayalakshmi Kotrashetti, HOD, Department of Oral Pathology and Microbiology, welcomed the gathering, spoke about Dr. H.M. Dholakia, and felicitated the toppers. Dr. Ramakant Nayak, Principal, addressed the students and appreciated the efforts put in by them for the competition. A Vote of Thanks was delivered by Dr. Deepa Katgalkar. After the inauguration, e-poster and quiz competitions were held, and the winners were felicitated.
