IVth SCIENTIFIC POST GRADUATE CONVENTION 2015

The Department of Prosthodontics and Crown and Bridge organized the **IVth Scientific PG Convention 2015** in association with CDE cell on 16th and 17th October 2015. Dr. Kishore Bhat graced the occasion as chief guest. Guest speaker Dr. Vinayak Kulkarni, Assistant Professor, Department of Mechanical Engineering, Gogte Institute of Technology spoke on Integrating Technology in the field of Dental Research on the first day of convention. On the second day of the convention, guest speaker Dr. Dilip Bandodkar spoke on the latest aspects in Cosmetic Dentistry. Post graduate students from all the departments presented a total of 15 scientific papers and 12 posters. The programme was awarded by 12 Karnataka state dental council (KSDC) credit points.

CHILDRENS' DAY CELEBRATIONS

Childrens' day was celebrated by the department of Pedodontics and Preventive Dentistry on 14th November 2015. Various competitions like drawing, color filling were organized for school children. Dental health education was imparted and free toothpastes and tooth brushes were distributed to all children. All the faculty members (Dr. Praveenkumar

Mandrol, Dr. Santosh Sholapurmath and Dr. Shruti Virupaxi), post graduate students and non teaching staff contributed towards the success of the event.

CONTINUED DENTAL EDUCATION PROGRAMME TITLED *"Integrating Esthetic Dentistry"*

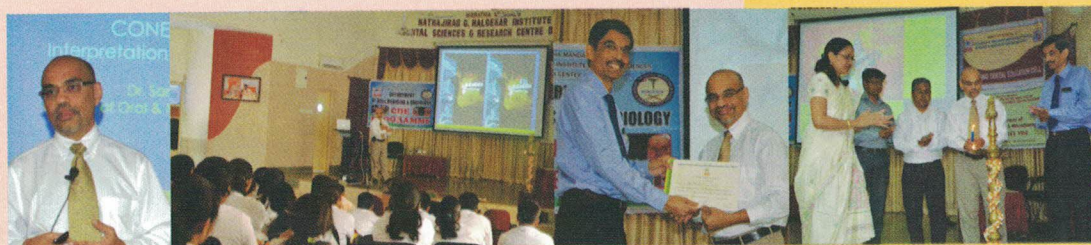

A CDE programme entitled, *"Integrating Esthetic Dentistry"* was conducted by the Department of Periodontology in collaboration with the Continuing Education Cell on 6th of November 2015. The programme was inaugurated by the Vice principal Dr. Viraj Patil, Head of Department Dr. Aarati Nayak, The Guest speakers were Dr. Sudhir Patil (Head of Department of Periodontology and Vice Principal, KLE Dental college, Bengaluru) and Dr. Sandeep Katti (Reader, Department of Periodontology). All the teaching staff and students were present for the function.

The programme included three sessions of lectures. The following two lectures on the topic *"Exploring the pink corridors of smile"* and *"Fundamentals of Perio-esthetics"* were delivered by the eminent speaker Dr. Sudhir Patil and the topic of *"Surgical Techniques of Perio-esthetics"*, was delivered by the in house speaker Dr. Sandeep Katti. Around 162 delegates consisting of PG students from nearby dental colleges of Bagalkot, Dharwad and Belagavi attended the CDE programme. All the delegates enthusiastically participated in the post lecture discussion session. The programme was awarded by 6 Karnataka state dental council (KSDC) credit points.

A CONTINUED DENTAL EDUCATION PROGRAMME ON CBCT

A CDE programme was conducted on 5th Dec 2015 by department of Oral Medicine and Radiology in collaboration with Oral Pathology department. The guest speaker was Dr. Sanjay Mallya, Director, Residency Programme for Oral and Maxillofacial Radiology at UCLA School of Dentistry, Los Angeles USA, President elect for American Academy of Oral and Maxillofacial Radiology. He spoke about CBCT, its clinical applications & opportunities and challenges to work abroad for a dentist. This was followed by an interaction with the PG students on present global scenario of Research in Oral Medicine and Radiology.

FRESHER'S DAY : GLITZ 2015

This year the Fresher's event was held on October 31, 2015 at our very own college campus with glamour and style, the theme was aptly christened as 'GLITZ 2015'. GLITZ 2015 showcased various glamorous performances like: Classical performance by the 'Rhythmic Steppers', Bollywood moves by the 'dancing divas', 'Kudiyon Di Toli' with their gudda performance and ramp walk. The young MMDCians showcased their acting talents with a drama act named 'ajab prem ki gazab kahani'. The audience also had a glimpse of the wonderful Iranian culture through a performance given by the group of Iranian students known as 'Pars Group'. The post graduates entertained with a duet performance which was then followed by a fun filled dance by the undergraduate 'Desi-Boys'. The winners of the UG section were Mr. Somesh Somannavar and Ms. Riya Ojha who were crowned by Dr. Ranganath Nayak and Dr. Aarati Nayak. The winners of the PG section were Dr. Anirban and Dr. Sampada who were awarded by Dr. Ramakant .S. Nayak and Dr. Jagdish Hosmani.

GRADUATION

We hosted the Graduation Day at our campus, for 27 enthusiastic BDS graduates of 2010 bath on October 30, 2015. The chief Guest for the occasion was Dr. K. S. Ravindranath, Honorable Vice Chancellor, RGUHS Bengaluru. Smt Rajshree Nagaraju, President Maratha Mandal, Belagavi presided over the function. Dr. Ramakant Nayak, Principal of the institute welcomed the honorable Vice Chancellor and dignitaries for the graduation ceremony.

Dr. K. S. Ravindranath, Honorable Vice Chancellor conferred the certificates to the graduates and congratulated them for their determination, grit and hard work to achieve their BDS degree. The honorable Vice Chancellor also stressed on the importance of research in the health field and encouraged the graduates to pursue their career in the field of research. He also stated that publishing research in good renowned medical journals is of paramount importance for the institutional growth.

Dr. K. S. Ravindranath appreciated the infrastructure and facilities at Maratha Mandal Dental College.

DAY - 2015

The President, Maratha Mandal, Smt. Rajshree Nagaraju, recalled the journey of college and also elaborated the infrastructural progress the institution has made over the years. She also emphasized on the value of honesty and compassion for the new budding dentists. The Managing committee members, faculty, staff, friends and family of all BDS graduates also graced the occasion.

CBCT - FOR EVERYDAY DENTAL PRACTICE

With the cognizance of 3D imaging proliferating its tentacles in all fields of medicine and dentistry, The Dept of Orthodontics conducted a one day CDE on "CBCT- For everyday Dental Practice" on 7th Dec 2015 with an endeavor to sharpen the knowledge on CBCT and its applications in everyday practice. The event began with a small formal inaugural function that was followed by a series of lectures and an Interactive Hands on course on CBCT software. Dr Ravi Kallur was the resource person on the occasion, and he emphasized on the working principles and importance of CBCT. The CDE was attended by more than 150 delegates consisting of PG students from different institutes and private practitioners. 40 delegates participated in the hands on course, which helped everyone to understand the intricacies of the CBCT software.
