Feedback on Facilities available in hostel			
1	Students	Food is oily  Lunch Timing to be extended.  Mosquito nets for hostel windows  Drinking water filters to be made available on every floor of the hostel  AC Rooms in hostel	A meeting was conducted with the cooks & instructions regarding using less oil were given.  Decided to extend Lunch timings for PG students and keep food in hot cases.  Meeting was conducted with engineer incharge & instructions to fix mosquito nets in hostel rooms were given.  Meeting was conducted with the incharge Mr. Parag Borkar to check the feasibility of setting up RO Filters on every floor of the hostel. A Follow-up on regular maintenance of RO filters in hostel was also done.  It was decided that if any student was interested in AC room facility in hostel, facility will be provided with a proportionate hike in the hostel fees.
Feedback on Bridge course and orientation program and from freshers			
1	UG students	UG students were satisfied with the orientation program  The bridge course was highly rated by the students	It was decided to continue the same in future also.  It was decided to continue the same in future also.
