dear sir, this is to bring to your notice that saish has been missing his theory and practical classes even after repeated reminders, a minimum of 75% attendance for exam going subject and 70% for non exam going subjects. he has not attended Pedodontics posting and has been intermittently missing Oral diagnosis.

Thanking You,  
Dr.sushma.k

⇒ There has been No response from the parents regarding Non attendance of Saish so far till now.

⇒ Even the Student Saish did not report to meet the Mentor.

Dear Sir/Madam

This is to bring to your notice that Saish has been not been regular with the classes even after repeated reminders .  
The following is the attendance of Preclinical Conservative : out of 03 theory classes he has attended 01 class.and  
out of 12 practical classes he has attended 03 practical class .

And the attendance of Oral Pathology is:

Out of 33 theory classes only 13 classes attended and percentage is 39%

Out of 50 practical classes only 20 practical classes attended percentage is 40%

Attendance of 75% is compulsory for exam going subject ,and attendance of 70% is compulsory for non exam going  
subjects . If there is shortage of attendance he will not be eligible to give exam in june 2019 for the respective  
subjects with shortage.

Thanking You  
Dr.Sushma.k

Dear madam

would like to bring to your notice that Saish has not been attending classes or posting on regular basis. He has missed the entire Pedodontics posting, and is even irregular with Oral Diagnosis posting, he requires at least 70% attendance for non exam going subjects, and 75% attendance for exam going subjects. Shortage of attendance according to university requirement he will not be eligible to appear for university exams.

Thanking you  
Dr.Sushma.k

Subject: Regarding shortage of attendance in  
prosthodontics.

Respecting Sir/Madams,

This is to bring to your kind notice that I am aware about my shortage of attendance which is scheduled for the academic year 2016. As I have complete attendance in the last year regular batch but I am incomplete with my quota which I shall take care by not remaining absent in the coming future. Regarding my absence, I have spoken to my mentor also. I kindly apologize and request that I shall not repeat the same.

Thanking you.

Yours sincerely

These are the series of problem noted by Hostel Warden, Co-Pt's, Senior Pt's. The respective guide also given the same opinion about her.

With this sudden change in the behavior more likely reason is that she doesnot mingle/talk with anyone.

ON 29<sup>th</sup> during KLE Roentgen week, the girl went and met the counsellor after the counselling session she is feeling better.

As she is totally feeling uncomfortable and tension & ~~anxiety~~ she wanted to go home, she has taken the permission from the HOD and left for home.

I am going out-of-station as I am not comfortable, from 2-12-16 to 31-12-16.

From the last 2 weeks there is a sudden change in the behavior of Dr. Gitanjali. She is unable to stay in the room she has provided. She feels she is getting no sunlight, lot of noise, unable to study and planned to shift to ground floor. In the ground floor she again started complaining of tap leakage, no sunlight and there is lot of noise created by cot/bed & table/chair.

She has changed Bed, cot and table & chair almost 3-4 times.

After all this she is even unhappy with roommate 1st BDS and wants to change and stay in staff quarters alone.

The room which she has shifted from 1st floor there also she is warning the girls about if something happens she shall be held responsible.

After enquiring with co-PG's, they are making different opinion from her previous days.

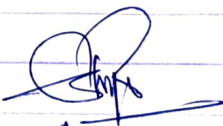

1. She talks all weird things
2. She abuses people & takes sympathy by telling she is in depression/frustration
3. She feels going with them is waste of time
4. She feels lot of work in there she is unable to complete it -
5. There is a lot of topic unable to cope up with the stress levels.
6. The time is not sufficient
7. She is unable to study.
8. She feels very uncomfortable with bakula however she is more comfortable with jirni.
9. Overall she feels it's a burden
10. She broke down very badly on 14th Nov 16. In front of non-teaching & other PG's

Subject: Regarding Sayya Fernandes loss of  
six months.

Sir,

I am aware that Sayya has lost a term (6 mths)  
in II BDS. She is currently in III BDS odd batch.

Due to personal tragedy at Sayya's home her  
father is not aware about Sayya's term loss. He is not  
aware that she is currently in III BDS odd batch.

I take responsibility of telling it to Sayya's father  
after 15 days as he is currently disturbed due to  
tragic death of his second daughter. I am also aware  
of Sayya's shortage of attendances. henceforth, I make  
sure that she attends classes regularly.

Thanking You,

Yours faithfully,
