### ELISA – HANDS ON WORKSHOP

Department of Oral Pathology & Microbiology in association with department of Molecular Biology and Immunology organized one day hands on workshop on ELISA on 20th May 2016. The programme included Guest Lectures on principles and techniques of ELISA followed by demonstration and developing of in house ELISA technique. The workshop was attended by Postgraduate students and Staff from various dental & Pharmacy Colleges of Andhra Pradesh, Karnataka, Goa & Maharashtra. The workshop was inaugurated by Principal, Dr. Ramakant Nayak. Dr. Kishore Bhat, Director, Molecular Biology & Immunology delivered a guest lecture on Principles of ELISA. Dr. Vijayalakshmi Kotrashetti, Prof. & Head, department of Oral Pathology & Microbiology delivered a guest lecture on applications of ELISA in dentistry and Dr. Prakash Diwan, Honorary Consultant delivered a guest lecture on writing a research grant. A hands on demonstration for HBsAg and HIV was performed by all the participants which was guided by the Research Officers and technicians of Department of Molecular Biology and Immunology. The workshop was conducted successfully and all the participants interacted and discussed with staff members during the entire workshop and were benefited.

The workshop was appreciated and participants gave a positive feedback that they could gain good knowledge on technique of ELISA and they would be interested in attending many more such hands on workshops in the near future at our institute.

**'ENCORE 2016'**

In a unique presentation that swayed the youths, DJ (disc jockeys). Candice Redding, Sartek and Ankoor Sood of international fame presented a non-stop entertainment programme. The three-hour power packed Electronic Dance Music festival programme titled 'Encore 2016' was held at the CPED college ground. Organised by Maratha Mandal Nathajirao G. Halgekar Institute of Dental Sciences & Research Centre of Belagavi, the festival offered full-fledged entertainment to music and dance enthusiasts of Belagavi.

Chairperson of Maratha Mandal group of Institutions Rajshree Nagaraju, in her welcome remarks, briefed the purpose of the programme that was organized as the fund raising initiative to establish a school for specially-abled children. The programme is also the curtain raiser of the silver jubilee year of our institution that commences in 2017.

## ART OF LIVING

Department of Oral Pathology & Microbiology organized a Guest Lecture on Stress & de-stressing & Art of effective communication and ethics in life on 27th May 2016 in the College Auditorium for all the students and staff of our Institute. Guest speaker for the event was Mr. Rashmin Pulekar, noted public speaker & soft skills trainer from Art of living. Mr. Rashmin Pulekar with his unique style delivered a lecture on the deepest aspects of life during college days as chess player and the challenges he faced while playing the sport. He stressed on the positive changes which he experienced after joining the Art of living course. He shared his experiences and the importance of rhythmic breathing which would lead to a stress free mind. He also encouraged all the students and the staff alike to enroll for the Art of living course. His lecture had a powerful impact on the members of the audience.

## ORAL HYGIENE DAY

The Department of Periodontology celebrated the 'Oral Hygiene Day' on 1st August 2016 to commemorate the birthday anniversary of Dr. G. B. Shankwalkar the pioneer of Indian society Of Periodontology. This event was inaugurated by the principal Dr Ramakant Nayak by lighting the lamp. An oral hygiene awareness presentation was done for the patients, which included various tooth-brushing techniques. This was followed by distribution of free samples of

Toothpaste, Tooth brushes & Mouthwashes to the patients. On account of the oral Hygiene celebration free treatment was provided for the entire August month in the department.

## WORLD NO TOBACCO DAY 2016

World No Tobacco Day was celebrated on May 31st 2016 in the college. The programme was organized by the Department of Oral Medicine and Radiology and the Department of Public Health Dentistry. OMDR Post graduates welcomed everyone and introduced the subject to the audience. Dr. Ravi Shirahatti and Dr. Renuka Ammannagi spoke on tobacco and its various hazards in Kannada and Marathi languages. Power point presentations were used for this purpose.

This programme was primarily for the non-teaching staff with the aim of educating them about tobacco and its ill effects on general and oral health. Lunch was organized for the non-teaching staff after which they gathered in the auditorium. Interns enacted a 20 minute skit in Hindi on the ill effects of tobacco. It was not just informative but also entertaining. The Departments would continue to collaborate to spread awareness regarding ill effects of tobacco in the community.

A total of 12 delegates were present for the module. The students also had a hands-on of different impression making techniques on dummy models.

## INDEPENDENCE DAY CELEBRATIONS

The 70th Independence Day was celebrated on 15th August 2016 at the college campus. The chief guest for the function was Shri. Nagesh Rao S. Zangruche a famous entrepreneur and philanthropist who has contributed tremendously in the field of agriculture and has also helped many poor agriculturists. National Flag was hoisted by Shri. Nagesh Rao Zangruche along with Dr. Ramakant Nayak (Principal) and Dr. Viraj Patil (Vice Principal). The Chief Guest expressed his

views on how to be a better citizen. Students from 2nd BDS also expressed their views during the event. The event was organized by Dr Zarir Ruttonji (Sports Incharge) and the sports committee.

## WORLD HEART DAY

World heart day was celebrated on 29th September 2016 by the Department Of Oral and Maxillofacial Surgery. On this occasion a workshop was conducted on Basic Life Support (BLS) with the aim of making everyone aware of the increasing number of deaths worldwide due to cardiovascular disease (CVD) and especially in India where Indians are more prone to deaths due to CVD. Measures to prevent heart disease and the importance of BLS training to reduce the number of deaths arising before a victim reaches a hospital which is about 95% in India were discussed. The College aims to impart BLS training to as many citizens of Belagavi as possible to reduce the number of deaths of loved ones and improve the chances of survival. Mr. Abhay Patil, Ex MLA Belagavi, the Chief guest inaugurated the function and promised to introduce this concept of household training in BLS to the residents of this district. Mrs. Rajshree Nagaraju, President, Maratha Mandal presided over the function and said that they will carry this movement far and wide educating all and sundry. Dr. Ramakant Nayak, Principal, addressed the gathering stressing the importance in learning this life saving art. In the key note lecture given by Dr. Ranganath Nayak, Course Director and Professor and Head of the Dept of Oral & Maxillofacial surgery, emphasis was given on care of the heart, powering your life and what BLS was about. The BLS instructors team comprising of Dr. Ranganath N. Nayak, Dr. Tushar Bandiwadkar, Dr. Santosh Dindawar and Dr. Sangeeta Bhandari conducted lectures and imparted intensive hands on training to 22 participants of outgoing interneers. A theory and practical skill test was conducted and the successful candidates were certified as BLS providers.

## WORKSHOP ON RESEARCH METHODOLOGY

A three day workshop on "Research Methodology, Biostatistics and Research Ethics" was conducted by department of Public health dentistry from 29th to 31st of August 2016. The inauguration of the workshop was done by Principal Dr. Ramakant Nayak, eminent speaker Dr. L.
